

C.O.G.S.

CHICHESTER ORGANIC GARDENING SOCIETY

We are a friendly group of gardeners and allotment holders committed to growing without using chemicals.

- We meet monthly from September to May at the Bassil Shippam Centre in Chichester; talks, discussions and celebratory feasts!
- We arrange outings to places of interest during the summer months.
- We run stalls at Stansted Garden show and the Totally Tomato Show, West Dean Gardens.
- We produce a newsletter three times a year.

Annual subscription is £5 per household. Meetings are free to members (but we love donations!) Visitors are welcome; £2. entrance.

To find out more call Nina on 01243-776063 or email her at nina@nrglearning.co.uk
